We've received a few emails from people...

They wondering what kind of results others are getting from what we teach inside the [Ultimate Blogger's Bundle](#).

So, I thought it might be an encouragement to you to hear a few quick stories of the results others are getting.

(And so we can congratulate them on a job well done!)

=====

Bo's Story

=====

Bo Miller knew nothing about email list building when we first met. In just 18 months, he went from ZERO on his email list to over several thousand subscribers using the list building strategies we teach in the ***Rapid 1000 Email List Building course!***

Bo has gone from being a teacher by day to earning a solid side income each month with his blog. Earning money with a blog becomes easier when you have people to email about your online courses and services.

Bo has used many of the EXACT tips and strategies included in the Ultimate Blogger's Bundle.

=====

Linda's Story

=====

When I first met **Linda Kardamis** she was blogging on the side but trying to figure out how to make consistent money with her blog. One of the main income sources she wanted to create was online courses.

She used our simple online course creation framework to get her online course up and running. Since then, she has left her day job and is now blogging full-time.

=====

Chad's Story

=====

The first question **Chad Allen** asked me a few years ago was, "*When should I start monetizing my blog?*" I told him "Yesterday!" :-). One of the revenue streams he most wanted to create was a membership site. Having monthly paying customers every single month is a dream most of us have.

But launching a membership site can feel overwhelming and daunting. Chad started with our simple ***How to Design a Membership Site on a Single Piece of Paper Class*** and he was able to get over 72 monthly paying members in just 90 days!

How would your financial situation look differently ***if you had 72 monthly members paying you \$30 a month?***

You can learn the EXACT planning tool Chad used when you [grab your own copy of the Ultimate Blogger's Bundle!](#)

Pretty inspiring, huh?

These stories are Average Joes (and Janes) just like you and me...

...who decided to take action on what they learned!

If you'd like to experience those kinds of results, then you're going to want to give the *Ultimate Blogger's Bundle* a try.

BUT...here's the catch.

If you're at all interested, you need to act NOW!

This special offer DISAPPEARS in a little over 24 hours from now!

So, do yourself a favor and grab your *Ultimate Blogger's Bundle* NOW while it's still 95% off!
